

K-LOVE supports wholesome values (family-friendly programming) and has a positive and encouraging impact on communities all across America. This station provides uplifting and comforting programming that invaluable to our community. Being displace by an LPFM broadcaster would be devistating to our community. People rely on the encouraging and life saving Word. Lives are changed (improved) which in turn benefits the community. Please do not displace our beloved radio station K-LOVE. Many people would be lost with them. Thank you for considering my plea.
